Scoil Naomh Eltin

Home-School Pack

Class Level: 1st Class B

Week Beginning: Monday June 8th

Dear students,

I hope you were outside playing, going on walks and doing exercises with Coach Clare last week when we had the sunny weather. When it comes to June you know what that means! As we approach the end of the school year we are going to start to unwind. We are getting less book work which gives you more time to go outside and enjoy yourselves.

I miss seeing you all very much and I miss the fun we had in the classroom. Around this time of year Ms. Van Doorn, Ms. St. Ledger, Ms. McCarthy and I would be taking you for walks around Kinsale. Unfortunately we can't do this but maybe you can explore the area with your family.

You have been all doing such a fantastic job since March. I am very proud of each and every one of you. Keep washing those hands and social distancing.

Have a lovely week and don't forget if you have any questions ask a parent / guardian to contact me.

Take care,

Ms. Dowling

Dear Parent(s)/Guardian(s),

Thank you all again for the continued co-operation. Being both a parent and teacher demanding and challenging however I can see the wonderful job you are all doing!

As mentioned above for the month of June children will be given less work. Trying to motivate children in the sunny weather is difficult. I will still be including English, Irish and Maths this week on the schedule and then one bank of ideas from a certain area in the curriculum. The ideas in this bank are optional so you can pick and choose. I would love to see photos of the children trying any of the STEM challenges. These photos will then be put on the school website. Please let me know if you do not want these photos to be shared.

If you have any queries/ questions please don't hesitate to email me at donna.dowling@scoilnaomheltin.ie

Stay safe and take care,

Donna Dowling

Gaeilge:

Activities:

- Pg. 79 – Select An Siopadóireacht (Shopping) – click Ceacht 4. Write the numbers.

- Lch. 80 – Listen to Ceacht 5. Feicim le mo shúilín (I spy with my little eye)

Focal (Word)	Pronunciation	Brí (meaning)
Ré	Ray	Moon
Réalta	Rail - ta	Star
Rialóir	Ree – lower	Ruler
Rás	Raw - is	Race
Rón	Row - n	Seal
Rothar	Ru - her	Bike

- Lch. 81 – Listen to Ceacht 6. Léigh an scéal. (Read the story)

- Scéalta do Pháistí – The following link will bring you to a padlet that allows you to listen to stories as Gaeilge. Please listen to– 'Meig agus Cóilín' this week. https://padlet.com/maire8/fv5mg5v9m27j

Maths:

This week we will be looking at Time. We are developing the children's knowledge on time again. If possible, using a clock will help consolidate learning. (Children being able to move the hands themselves).

Literacy:

This week we will be reading a story called 'First Class Postcards' in your **Fun at the Circus**.

New Vocabulary: There is new vocabulary highlighted on some of the pages. Ask the children to try and explain these words before you begin reading.

Monday	**Maths:** 1. Mental Maths Monday 2. Busy at Maths pg. 158 **English**: 3. Skills Book: pg. 133 4. F at the C – pg.87 + 88 **Gaeilge:** Bua na Cainte – Lch. 79
Tuesday	**Maths:** 1. Mental Maths Tuesday 2. Busy at Maths – pg. 159 **English**: 3. F at the C: pg. 89 + 90 4. Skills Book: pg. 137 5. Handwriting – Next two pages https://www.newwavehandwriting.ie/ **Gaeilge:** **6.** Bua na Cainte – Lch. 80
Wednesday	**Maths:** 1. Mental Maths Wednesday 2. Busy at Maths pg. 160 **English**: 3. Skills Book pg. 138 4. F at the C: pg. 91 **Gaeilge:** **5.** Bua na Cainte – lch. 81
Thursday	**Maths:** 1) Mental Maths Thursday 2) Busy at Maths – pg. 161 **English**: 1. F at the C: pg. 92

	7. Skills Book – pg. 136 **Gaeilge:** 8. Duolingo
Friday	**Maths:** 1) Mental Maths Friday Review 2) Shadow Book – pg. 58 3) Manga High **English**: 4) Fun at the Circus: pg. 93 5) Handwriting – Next 2 pages - https://www.newwavehandwriting.ie/ **Gaeilge:** 6) Scéalta do Pháistí – Listen to 'Meig agus Cóilín' https://padlet.com/maire8/fv5mg5v9m27j Well done!! Enjoy the weekend ☺

SESE / Stem Challenges:

- Below is a list of STEM challenges that you can pick and chose from. If you try any of them I would love to see some photos.
- Virtual tours : We had been discussing Anne Frank in class and the following link is a virtual tour of the Anne Frank house https://www.annefrank.org/en/anne-frank/secret-annex/room-hermann-and-auguste-van-pels/
- Space Station - https://www.google.com/maps/space/iss/@29.5604638,-95.0852936,2a,75y,222.31h,81.74t/data=!3m6!1e1!3m4!1stbwl7TvVSqgAAAQvxgbyLA!2e0!7i10000!8i5000

PE:

Please find this week's lesson from Coach Clare: http://weplay.ie/week5/

STEM at HOME Menu #1

Read a Book What was the problem in the story? Build something to help solve the problem.	**Create a Game** Use recyclables to design your own game. Create rules for your game and teach your family how to play.	**Design a Futuristic Phone** Create a blueprint of a futuristic phone design. What can your phone do?
Draw a Map of your Home Label each room in your house. Measure the length and width of each room and add them to your map.	**Make a Boat** Build a boat out of tin foil. Set your boat in a tub of water and see how much weight it can hold.	**Create a Dance** Come up with dance moves to your favorite song. Record your dance.
Create a Kite Use materials that you have at home to design a kite. Does your kite fly?	**Build a Catapult** Use popsicle sticks, a spoon, and rubber bands to design a catapult. How far can your catapult launch an object?	**Design an Amusement Park** Use paper, scissors and tape to design a new amusement park.
Build a Bridge Use materials you have at home to build a bridge. How tall is your bridge? How much weight can it hold?	**Create a Bird House** Use recyclables and tape or glue to design a bird house.	**Design a Pair of Glasses** Use materials you have at home to design a stylish pair of glasses.
