## Home-School Assignments

**Class Level:** 2nd Class A

**Teacher:** Mr O Donovan ([nick.odonovan@scoilnaomheltin.ie](mailto:nick.odonovan@scoilnaomheltin.ie))

**Week Beginning:** Tuesday, 2<sup>nd</sup> June

Dear Students,

Hello to you all. It's hard to believe that we are into our last month in 2<sup>nd</sup> class. It has been such a strange school year for all of us. It has been hard not to see your friends in school but you have all been so strong and brave and have also helped to save lives!

For the rest of the school year I will be giving you some cool fun challenges for you to try out. I love seeing the pictures of your work that your parents send to me. I can see that you are trying your very best.

I hope that you are enjoying listening to and reading Harry Potter and the Philosopher's Stone. We are going to listen to Chapter 7 & 8 this week.

This week I would like to see some of the challenges that you have completed. You can choose what to show me. Also, if you have done or created some Harry Potter Art that you are really proud of then please send a picture to me of your creation, I would love to see it.

Get some fresh air when you can, chill out, play games and help out at home. There are lots of things you can do to help older brothers and sisters and the adults in your home.

Stay safe and keep washing your hands.

Mr. O Donovan

Dear Parents,

Again, thanks to you all for your continued co-operation. Being both parent and teacher can be taxing but I can see that you are doing a great job

I am assigning the next two chapters of Harry Potter and the Philosopher's Stone this week for students to listen to (and read) and Mr O Leary has made another great quiz to test our knowledge. I have included instructions below for accessing this and the quiz. I have also based Art work on Harry Potter this week and in the next few weeks I will possibly assign more work based on the book/audiobook. If you do not want your child's art work shared on the school website, please let me know.

For the month of June, I will assign less work from the children's school books and more fun challenges for them to do. I would love to see some pictures of the kids doing these challenges and I would like to share them on the school website also. Please let me know if you do not want these to be shared on the website.

I want to reiterate the message that the school work that I assign is not intended to put stress or pressure on you at this time. The priority continues to be for you and your family to stay safe and healthy. There is no obligation to print any of the pages that I assign. Simply completing the work in copy books is ok. Of course, if you prefer to print the pages, continue to do so.

Stay safe and take care.

Nick O Donovan
