Home-School Assignments

Class Level: 2nd Class A

Teacher: Mr O Donovan (nick.odonovan@scoilnaomheltin.ie)

Week Beginning: Monday 11th May

Dear Students,

Hello to you all. As the weeks go on I know that you are all missing our friends more and more. I hope you know that this won't be forever, and that we are doing this for very important reasons.

I must congratulate you on the fantastic work you are doing, well done to you all. I love seeing the pictures of your work that your parents send to me. I can see that you are trying your very best.

Mr O Leary and I have something really cool for you to try this week. One of our favourite books is Harry Potter and the Philosopher's Stone. We had been planning to read it to you in school but now we can't. Instead you can chill out and listen to it at home and Mr O Leary has made a cool quiz for you to do after you have listened to the first two chapters. An adult in your house will help you with this.

This week I would like to see some Art work that you have completed. You can choose what pages to show me. Also, if there is anything else that you have done or created that you are really proud of then please send a picture to me, I would love to see it.

Get some fresh air when you can, chill out, play games and help out at home. There are lots of things you can do to help older brothers and sisters and the adults in your home.

Stay safe and keep washing your hands.

Mr. O Donovan

Dear Parents,

Another word of thanks to you all for your continued co-operation. Being both parent and teacher can be taxing but I can see that you are doing a great job

If you have not received an email from me, please let me know by emailing me at nick.odonovan@scoilnaomheltin.ie. At the moment, email is our way of contacting you and your child. Also if have had issues in downloading or doing the school work, please let contact me and I will assist you in any way that I can.

An audiobook version of Harry Potter and the Philosophers Stone is available online for free. I am assigning two chapters per week for kids to listen to and a quiz at the end of the week to try out. I have included instructions below for accessing this and the quiz. I think kids will enjoy this.

I want to reiterate the message that the school work that I assign is not intended to put stress our pressure on you at this time. The priority continues to be for you and your family to stay safe and healthy. There is no obligation to print any of the pages that I assign. Simply completing the work in copy books is ok. Of course, if you prefer to print the pages, continue to do so.

If you have any questions regarding the school work plan or anything related to it, please contact me at nick.odonovan@scoilnaomheltin.ie.

Stay safe and take care.

Nick O Donovan

- Handwriting: As the children were starting to learn cursive writing I think it is very important to continue this. The following link allows you to practice cursive letters with your child. You will see an explanation as how to form the letter correctly on the top right-hand side of the page. If you could first demonstrate how to form the letter correctly for your child this would be great - then allow them to practice. Drawing out the blue and red lines for your child will also be a great help. Encourage your child to use cursive writing when they are writing freely, completing exercises etc. <https://www.newwavehandwriting.ie/>
