Home-School Assignments

Class Level: 4th Class B (Ms. Roberts)

Week Beginning: Monday the 15th of June 2020

Dear 4th Class B and Parents/Guardians of 4th Class B,

To celebrate the fantastic work, you have been doing throughout the year and especially the past few months, we have a treat in store for you this week. No academic work is assigned this week as we want you to focus on physical wellbeing. I have attached a PDF document called 'Active School Week Chart' which has a timetable of activities you can do from home. You have the option of simply clicking on an activity where it says 'click here for video' on the chart to view instructions on how to do the activity or alternatively you may access all of the videos on activities for Active Schools by using the following link to our Padlet website <https://padlet.com/alicegosnell/rafxv5l473598bsl>. There is **no pressure to do everything** on the chart. Just do what you can or if you have your own way of keeping fit that works best for you then you could incorporate that into your schedule.

Thank you for all of the wonderful work you have emailed me in over the past few months. It is now my turn to give something back to you. I am in the process of making a 4th Class B Farewell video to mark the end of our year together and if you have a **favourite topic** that you learned about during the year (learning about Japan, lighthouses in art, 3D shapes in maths for example) or a **favourite memory** like (our trip to the cinema to see Frozen or our school show or the Sciath na Scoil final for example) or any other memory or activity or subject that **made you happy** in 4th Class B, can you get your parent/guardian to email this into me by 3pm on **Wednesday** of this week at jasmine.roberts@scoilnaomheltin.ie and I will share your responses in the video with your parent's/guardian's permission which I will send out via email next week. Parents/Guardians are to send their child's response through **their email address** that is on **Aladdin only. Parents/Guardians of 4th Class B**, please **monitor** email activity on **your** account at all times. Your child's response can be something very simple. For example, in the email all your parent/guardian has to do is type in something like: *Mary enjoyed singing Trasna na dTonnta for Grandparent's day.* There is **no pressure to send something in**. It is **entirely optional**. **If you don't feel like sending something in then you don't have to**. If you have another way of expressing your fond memory through a **piece of art or a poem** about 4th Class B then by all means your parent or guardian can send this in. If you **scroll down** below this page I have included a poster for the **Athletics Ireland Competition** where you draw your favourite athlete and write a paragraph about them. There are **some great prizes** to be won and the email address to send it to is on the poster below. If you want to also email your entry to me then you can as I would love to put it on our webpage with your parent's/guardian's permission.

You will be notified this week about returning the book rental books to school as well as Master Your Maths (isn't book rental but can be returned for revision purposes in September). Here is a gentle reminder of the list of books you are required to return: Busy at Maths 4, Grow in Love, Small World Geography and Science Book, History Small World Book, The Golden Harp Reading Zone and Master Your Maths 4th Class (If you have it).
