Monday	<p>Maths: Chapter 31:Weight is a nice chapter because I know that some of you are doing baking at home and now you can apply these skills to your maths as you have had to weigh ingredients and read the labels on food packages to find out how much certain ingredients weigh or perhaps you had to use a weighing scales. By continuing with this chapter this week, I would be hoping that some of you would become more aware of the g (gram) and kg (kilogram) sign on food packaging even if you're not into baking! Scroll down beneath Friday's work bank for answers to correct. Reading and Writing: We finished the Reading Zone programme. For those of you who are behind in the work banks you may keep going with Reading Zone if you wish. We completed Unit 30 which is Fooled by Words p.124 and completed activities A, B, C, D and E so this is where you will be working up to if you have not done so already. Last week we finished New Treasury 4. For those of you who are behind in the work bank you need to work up to Chapter 15: Narrative p. 90 – 95. The writing resources for completing a narrative text were given out in last week's work bank. If you wish to complete the New Treasury 4 programme Chapter 15 is the chapter you need to work up to. However, there is **no pressure to complete**.

1. Reading: Small World History Book Unit 14: Life in Ireland in the Eighteenth Century read p.68 – 69.

2. Writing: Complete activities 1 -3 on p. 69 of your Small World History Book.

3. Handwriting: Print out PDF attached called Handwriting Practice Continuous Cursive and hand write the first 5 words onto your sheet from inactive to indefinite. Repeat each word 2-3 times. If you do not have a printer, write each word into your handwriting copy.

4. Spellings Unit 32 (First 4) (SNIP group you can attempt these spellings as well. If you would prefer to learn 8 out of the 16 spellings you may find that easier to manage SNIP group but by all means attempt the full amount if you want to. It is **your decision** SNIP group) and optional typing.com activity. Scroll down for spellings under the Irish sheet 'Scríobh an sórt scannán atá thíos'.

Gaeilge:

1. Spellings Sheet: This week we are learning about different types of movies as Gaeilge. Please scroll down to see your Gaeilge Spellings sheet called An Phictiúrlann meaning 'the cinema' underneath Busy at Maths answers . Differentiated group you can learn your usual 4 spellings and one phrase. However, don't forget to read over the other spellings and phrases to familiarise yourself with the vocabulary differentiated group. If you need help with pronunciation please use the following steps:

1. Go to www.teanglann.ie and on the right-hand side of the top of the page click English
2. Type your Irish word into the search box
3. Click the search icon with the little magnifying glass
4. On the right-hand side at the top of the page beside grammar you will see an option called Pronunciation with a sound icon underneath and you click on that.
5. This will bring you onto a page where they give you the word in different dialects. You are going to choose Munster Dialect by clicking where it says **listen** beside the sound icon.

2. Bua na Cainte: If you scroll down beneath your spellings sheet you will find a sheet called 'Scríobh an sórt scannán atá thíos'. Here they are asking you to write the name of the type of film below the picture. Use the words in the word bank. If you don't understand what they mean look at your spellings sheet for the translation. Then it says 'Ansin scríobh Suimiúl (interesting), Leadránach (boring), Greannmhar (funny) underneath each film. Here you must choose one of the 3 words to describe each film. I'll give you an example of how to do the activity. This activity can be completed in your copy or on the sheet. Underneath the first picture which is a picture of a skeleton mask I will write scannán scanrúil on the top line and then on the bottom line I will write if I think it is interesting, boring or funny. Here I wrote Leadránach on the bottom line.

Scannán scanrúil (scary movie)

Leadránach (boring)

3. Leabhar Litrithe: Aonad 2 Ceacht 4 Lch 51. Here you are writing the verb 'féach' meaning 'to watch' into the past, present, and future tense.

An Phictiúrlann

Léigh an sliocht.
Tá Áine agus Cáit
ag dul go dtí an
phictiúrlann.
Tá siad ag bualadh
le Ciarán ag a hocht
a chlog.
Tá scannán maith
ar siúl. *Shrek* is

ainm don scannán. Ní fhaca na cailíní riamh é. Tá sceitimíní áthais orthu. Téann siad isteach sa phictiúrlann. Tá Ciarán ag fanacht orthu. 'Brostaíge oraibh. Ceannaíge na ticéid. Tá sé ag tosú ag a hocht a chlog,' arsa Ciarán. Cheannaigh na cailíní na ticéid ag an oifig. Cheannaigh siad popcorn agus deochanna agus chuaigh siad isteach. Bhí sé dorcha istigh. Shuigh siad síos in aice le Ciarán agus thosaigh an scannán. Cartún a bhí ann agus bhí sé an-ghreannmhar. Thaitin an scannán go mór leo. Tar éis an scannáin d'imigh siad abhaile agus gliondar orthu.

Ceisteanna.

- 1 Cá raibh an scannán ar siúl?

- 2 Cén sórt scannáin a bhí ann?

- 3 Cén t-am a thosaigh an scannán?

- 4 Cad a cheannaigh na cailíní sa siopa?

- 5 Cár cheannaigh siad na ticéid?
