

Scoil Naomh Eltin Home-School Assignments

Class Level: 5th Class

Week Beginning: Monday 11th May

Dear students and parents,

We know you might be disappointed to hear about the government saying that you cannot return to school before the next school year – mainly because you miss your friends but also because you enjoy learning together. We know from the emails we are receiving that there is still excellent and new learning taking place in your home. Please do not worry about work you think is unfinished from 5th class. This will be done when we return to school before 6th class material is started.

Email Contact

Only parent email accounts are acceptable when it comes to communication. Communication from other emails cannot be responded to due to GDPR.

Padlet Website

If you haven't already tried it out take a look at the padlet website we created just for 5th class students at Scoil Naomh Eltin

<https://padlet.com/SNE5th2020/xikutk3t4inkesgg>

What's new this week?

We have again assigned a new maths chapter this week – the circle. We understand the students' maths sets are stored in school and unfortunately these cannot be accessed currently. The students only require a compass (instrument for drawing circles) which older siblings might have. They should also be available in the stationary section of the local supermarket or shop. They're also great for art designs.

Typing.com - This was initiated last week but it is never too late to sign up as all students follow the same typing programme at their own pace. We suggest undertaking one lesson per day starting with the beginner lessons (beginner lesson 1 is "J, F and Space")

Don't forget to stay in touch by email with any queries or updates for us,

Ms O'Sullivan & Mr Murray

Orla.osullivan@scoilnaomheltin.ie

Liam.murray@scoilnaomheltin.ie

Typing.com Step-by-Step Guide to “Joining the Typing.com Class”

For parents: Like all the assignments we provide, this is optional. If you believe it will be of benefit to your son/daughter and (possibly more importantly) if you have the laptop, WiFi and time for it then give it a go. The typing course can be completed in approximately 7-8 weeks (taking one lesson per day, using 5-day weeks). Students are free to move as quickly or as slowly through the typing course as they wish but little and often is the best policy we find. Lessons take 10-15 minutes per day. We understand that devices and WiFi are at a premium in homes where parents are working from home online. The lessons could be completed early in the morning or in the evening or when parents are taking breaks from work.

Set up should be completed by parents as it requires consent to be provided to the Typing.com’s Privacy Policy and Terms and Conditions.

When setting up make the website language is set to “UK English” (not US English).

Step 1: Use the link on the Padlet website for Typing.com. This is a unique link to access the “online class”. Here is the link as well - typing.com/join#5E7B8B5BC93AA

Step 2: If a student has a typing.com account already they need only log in using the link in step 1. Alternatively, they can log in to typing.com, go to the “Account Settings” and join another class using the join code “5E7B8B5BC93AA”

If no account has been set up previously click the button to set up a new account and follow the instructions to create a username and password.

Step 3: Once registered, click on “Themes” at the top of the screen and select the background and avatar to suit your student.

Step 4: Once a student registers for the class, we, as administrators, must approve them joining. This may take some time but we will check the account daily.

It is suggested to complete one lesson per day. Don’t worry if you haven’t registered yet. Register when possible and you and your student can follow the lessons from there.

Tips:

- Your daughter/son will need some help initially placing their hands in the correct position on the keyboard. The tutorial will try to highlight this also (right index finger starts on j, left index finger starts on f).
- The course uses audio-visual tutorials to start each lesson so earphones or a headset might be required.
- The eventual goal for 5th class students is to achieve 25 WPM (words per minute) and 92% or higher accuracy. This will take plenty of regular practice however.

May 11 th to 15 th Optional Challenges	
PE	<p>Let's Get Active</p> <p>Our very own PE coach, Clare, has made the first in a series of weekly PE lessons on YouTube. The video is 8 minutes long but you'll have to stop and start the video to complete all the activities.</p> <p>Could you make your own PE video . . .?</p>
Reading	<p>Getepic.com - if you have run out of books to read at home getepic.com is available. This website and app have free ebooks and audiobooks. We have established an educator account. <i>If you would like free access simply email us. Only parent email accounts can be set up. We can share your email with the website until you ask (GDPR).</i></p>
Maths	<p>Manga High 4 May</p> <p>In April, Scoil Naomh Eltin earned an amazing 1,655 points on Manga High; the 77th highest total in all of the UK and Ireland! In May, our school's goal is to break into the top 50 schools. It's a tough challenge so we'll need as much help as we can get. It's going to take teamwork and determination! One Manga High game per day would make a huge difference to our school's total – simply browse the website and choose games from the 5th class section. Will you take on this optional challenge?</p>
Geography	<p>Blue Star Flag - Europe Week to Celebrate Europe Day on May 9th</p> <p>Senior students have been busy learning about Europe and the EU this school year and would appreciate everyone's help to complete their project. Our challenge is to celebrate Europe Day on May 9th but this can be done anytime between May 5th and May 15th. We know many of you have a special connection to a European country so why not get creative and take a photo of anything in your household linked to that country - traditional dress, traditional food, traditional dance. It's your choice! Get creative, take a photo and upload using this form. <u>Anything connected to a European country (including Ireland) is acceptable!</u> For your photo to be included simply email a photo to liam.murray@scoilnaomheltin.ie (feel free to include some text about the picture such as the country being celebrated as well as the students involved and the class level they are in).</p>
Relax	<p>Take a look at the "Relaxation Time" section of the Padlet - you might have to scroll sideways. It includes:</p> <ul style="list-style-type: none"> • A link to some videos of guided meditation • A downloadable PDF with some activities to promote gratefulness and coping skills during Covid-19 • A link to a website where you can play chess with friend
Chess	<p>We have set up a weekly online chess tournament on lichess.org just for Scoil Naomh Eltin students. Simply register on the website and email Mr Murray and he will add you to the group. The students behind each username will be made know so you'll know exactly which of your friends you're playing!</p>

<p>Monday May 11th</p>	<p>Maths: Busy at Maths</p> <p>This week our topic is Data – Pie Charts so you’ll need all your circle making skills again.</p> <ul style="list-style-type: none"> • BAM pg 152 • Complete Questions 1, 2 and 3 • Exercises on padlet (a) cj fallon (b) ixl <p>English:</p> <ul style="list-style-type: none"> • Typing.com - one lesson per day (5-10 minutes) • Reading: find something every day to read whether it’s a book, newspaper or online material – see optional challenges for reading • Correct last week English in Practice work – answers at end of doc <p>Gaeilge:</p> <ul style="list-style-type: none"> • Duolingo - it’s never too late to start • Cúla 4 ar Scoil: TG4 every day at 10.00am • Bua na Cainte lch 165 – Aonad 2 Ceacht 1 (Also on padlet) • Éist leis an scéal ar padlet. <p>Féach ar lch 165 agus ar an scéal. <i>Look at pg 165 and read the story.</i> Freagair na ceisteanna ar lch 165(<i>answer Q 1-10</i>) i do choipleabhar.</p>
