Home-School Assignments

Class Level: 6th Class

Week Beginning: Monday 20th April

Dear students,

We hope you and your families are keeping well and you had a very enjoyable Easter with plenty of Easter eggs! With the restrictions extended until May 5th, we know how challenging it is for you all but we urge you to stick with it and remember to comply with physical distancing and washing your hands regularly. We've outlined activities which you can engage with during the week although we understand some of you may have difficulty with parts of it due to poor Wi-Fi or access to devices. Nobody is to feel under pressure about the work, all we ask is that you try your best.

Please do remember to help out at home. The simple question 'Can I help with anything?' would mean a lot to your parents or guardians so try and ask it at least once a day.

If you have questions regarding schoolwork, you can contact us during school hours by email.

Wishing you all the very best and hoping to see you soon in person back at school!
