

Home-School Assignments

Class Level: 2nd Class A

Week Beginning: Monday 15th June

Dear students,

Ready, set, go! Time to get active! I hope you enjoy our virtual active week! The teachers have been busy finding the best resources and ideas that we think you'll enjoy! I have also included a mental health booklet for you to look at. Your mental health is just as important as your fitness or how healthy your body is. You need to mind and look after all parts of you! That might mean taking some quiet time out during the day, doing some mindful activities that you are well able to do or just having a chat with somebody about how you feel. So this week, I want to see you doing all 3 – noticing what foods give you the energy to do the activities and recognising how those activities make you feel.

There is also a virtual school tour that you can take a look at as well as the kahoots as normal this week! I would also like you to take a look at GetEpic (on PADLET) for some additional reading. See if you can find a few stories you like!

I really hope you enjoy your week. Get all the family involved if you can, but if Mum and Dad are working, you should be able to do the activities (once opened on device). Please send on any videos and photos you would like to share! I hope you have a look on the website for a few creative videos from creativity week last week! Most of all, have fun!

Take care,

Ms O' Shea.

Harry Potter – Chapter 10/11.

Dear Parent(s)/Guardian(s),

As this week is Active Schools Week, I have put the timetable, Padlet and Mental Health activity booklet on the website for you to access. There is an art competition included below also. The formal work in workbooks has now stopped as this time of year, we would usually be finishing up work. However, if you feel you would like to keep a bit going next week, the following are a few ideas:

1. GetEpic reading – online/Padlet
2. Free writing
3. 1 or 2 pages of handwriting book
4. Tables – practice!
5. Make a wordsearch!
6. Try some STEM activities on the class section of the website.

The boys and girls have done brilliant work over the last few weeks and I am grateful for your help in the home-schooling process! I hope they enjoy the week and have lots of fun at home! They deserve the break from the work!

Feel free to email me if you have any concerns or questions at claire.oshea@scoilnaomheltin.ie .

Thank you for your continued support,

Claire O' Shea.

CLOSING DATE 19TH JUNE 2020

Questions (10)

- 1) Jessica did 12 push-ups. Then 12 more. And 12 more! How many is that altogether?
- 2) $15 + ? + 10 = 30$ (What's the missing number?)
- 3) Joe did 30 star jumps. Ross did 24. How many fewer did Ross do?
- 4) Put the following numbers in order, starting with the smallest.
 $6+5$ $1/2$ of 20 Mr. O'Leary's age $4+4+4+4$
- 5) My units digit is $1/2$ of 18. My tens digit is $1/4$ of 16. My hundreds digit is the number of the month. What am I?
- 6) Layan took 18 bananas from Finn. He has 15 left. How many did Finn start with?
- 7) Craig did 15 squats. Abbey did 6 more than Craig. Well done Abbey! How many squats is that altogether? (Be careful with this one!).
- 8) Ellen set a challenge. She wrote 109, 104, _____, 94. What number is missing?
- 9) Kelsey had 33c. Rian had twice as much! How much had they altogether!
- 10) Ms O'Shea drew 5 hexagons on the board. How many sides is that altogether?
(remember, a hexagon has six sides)
