Home-School Assignments

Class Level: 1st Class A

Teacher: Mr O Donovan (nick.odonovan@scoilnaomheltin.ie)

Week Beginning: Monday 27th April

Dear Students,

I hope that you are all still safe and well. We are all missing our friends and family that we cannot see right now but remember, every day we stay home we are a step closer to being able to see everyone again soon.

This week I would like to see some maths work that you have completed. You can choose what page to show me. Also, if there is anything else that you have done or created that you are really proud of then please send a picture to me, I would love to see it.

When we are back to school we will have so much news to tell each other and I'm looking forward to hearing what you all got up to with your family during this time.

Get some fresh air when you can, chill out, play games and help out at home!

Stay safe and keep washing your hands.

Mr. O Donovan

Dear Parents,

Once again, thank you all for your continued co-operation thus far. These are strange and testing times for all of us and your work in ensuring that your child is still accessing his/her education is extremely appreciated.

On Monday last, 20th of April, I sent an email to each of you containing a message for you and your child. It has come to my attention that some of you have not received these emails. If you have not received an email from me, please let me know by emailing me at nick.odonovan@scoilnaomheltin.ie. At the moment, email is our way of contacting you and your child.

Furthermore, I am aware that some of you have had issues in downloading this school work plan. If you have had issues, please let me know and I will do my very best to fix these.

There may have been a number of mistakes made in last week's school work. It is possible that I assigned 2nd class English reading and Skills Book work to 1st class. For that I apologise. If this week's Skills Book pages are the same as last week then do not worry, simply go back over pages your child has not done and you can do some of these.

My aim, as your child's teacher, is to help and assist you in any way I can. I know that you are all doing an excellent job in helping your children. The school work that I assign is not intended to put stress or pressure on you at this time. If you are having difficulties accessing certain online resources then do not worry.

If you have any questions, please contact me at:
nick.odonovan@scoilnaomheltin.ie .

Stay safe and take care.

Nick O Donovan

Gaeilge: Duolingo: 10 mins per day

Bua na Cainte: pg 121-125

Maths: Busy at Maths: 128-130.

2 Worksheets

Mental Maths: Monday - Friday

Manga High: Online Tasks

Shoot the Sheriff: (Show your family how to play!)

Literacy: Fun at the Circus: pg 55-58

Skills Book: pg 109, 110, 113

- Handwriting: As the children were starting to learn cursive writing I think it is very important to continue this. The following link allows you to practice cursive letters with your child. You will see an explanation as how to form the letter correctly on the top right-hand side of the page. If you could first demonstrate how to form the letter correctly for your child this would be great - then allow them to practice. Drawing out the blue and red lines for your child will also be a great help. Encourage your child to use cursive writing when they are writing freely, completing exercises etc.

SESE: Small World: pg 62, 72

- Instructions on how to access the ebook version of all the necessary books have been included at the end of this school work plan and also in an email I have sent to all parents. If you are having difficulties then please do not hesitate to contact me.
- You do not need to print the pages of the books if you do not want to. Children can answer all questions in their copies. Please encourage children to write freely in their copies also.
- **If you would like to send some pictures of your child's work then please feel free to do so, as I would like to post some pictures on our class page on the Scoil Naomh Eltin Website. This week I ask you to send via email, some pictures of your child's Maths work. I also suggest allowing your child to choose an item of work he/she is proud of or pleased with and send it to me also. This can be literally anything (eg; writing, maths, art, craft, sports/exercise videos, baking, lego etc, etc).**

Thank you all for your co-operation in these unprecedented circumstances. We are all striving to deliver the curriculum to your children in a new way and your help is greatly appreciated.

Please contact me with any questions at nick.odonovan@scoilnaomheltin.ie

Kind regards

N. O Donovan
